wherever you fly

will be there for you

Your local partner all over Greece

Mission - Statement

To continue to be the leading aviation service provider in Greece in terms of quality, reliability, innovation, network coverage and market share. To work in partnership with our clients in developing real value for money and services adapted to their specific needs. To continue our focus on safety and efficiency, providing high quality and tailor made services at cost-effective prices. The key element in achieving this is our highly trained personnel with years of experience at all our 37 airports, operating ground support equipment of more than 10 million euro in value, that makes the difference.

Network

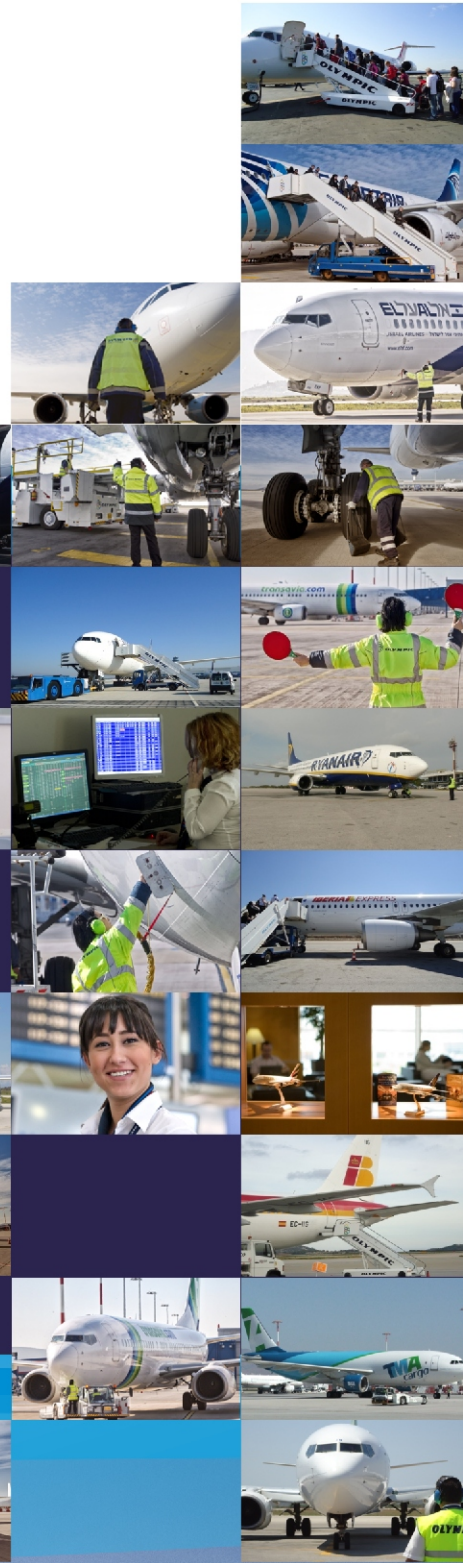

Fully active all year round at a total of 37 airports, supplying our clients with a wide range of ground handling services focused on reliability, high safety standards and premium quality of service.

Commitment

Providing high quality services within the entire network.

Experience

Our broad client base, ranging from national schedule and charter carriers, low cost operators, Business Aviation clients, and Freight forwarders, has enabled us to develop a comprehensive expertise in tailoring our products and services to meet the requirements and needs of our Partners.

Ramp Handling Services

Serving more than 170 airlines

Including airlines from all 3 alliances (Star Alliance, One World, Sky Team) and associations (IATA, AEA, IACA)

A market share of more than 40% of all Airlines arrivals and departures in Greece
